what's on

July

Meet AQWA's next generation of sharks!

We've just welcomed 7 new juvenile sharks to join the AQWA shark squad, including two species never before seen at AQWA. Discover their quickly talents and unique features plus take a bite out of our awesome free kids crafts, new shark features in the theatrette and bonus shark talks every day.

Our sharks also move slowest in winter so its the perfect time to book a close encounter and plunge into our main aquarium for a snorkel or dive with sharks!
